

## Electronic Serials Cataloging Workshop - Feb. 2007 List of Changes

Typos reported by Laura May, 2/26/2007:

1) In session 2, on slide 59 (although the Instructor's Manual says slide 58) the Online uniform title contains a typo. The Print uniform title is Journal of conflicting titles (New York, N.Y.). The slide lists the Online uniform title as Journal of the conflicting titles (New York, N.Y. : Online)

► Correction made to PowerPoint slide #59: Deleted "the" from online uniform title.

2) Also in session 2, on slide 74 (which the Instructor's Manual says is slide 74) one of the form subdivisions refers to the older "--Weblogs" instead of "--Blogs"

► Correction made to PowerPoint slide #74: Changed "Weblogs" to "Blogs."

### Instructors Please Note:

These typos have not been corrected in the PDF manuals. Please correct them manually (Trainer manual, p. 65 and 79) and ask trainees to correct their manuals accordingly (Trainee manual, p. 46 and 54).
